

AMBROSE TREACY COLLEGE

Schedule of Fees

Schedule of Fees 2024

The Ambrose Treacy College (ATC) mission is to develop courageous young men of character and integrity, engaging them in dynamic and relevant experiences and pathways. We achieve this by delivering a rigorous academic program, diverse co-curricular activities, and a strong pastoral care system. The fee structure has been developed to ensure that an ATC education is accessible to as many young men as possible. Our fees offer value for money with numerous co-curricular activities included.

TERM 1	TERM 2	TERM 3	TERM 4
22 January 2024	15 April 2024	8 July 2024	30 September 2024

Fee Discounts

Ambrose Treacy College offers a discount on tuition fees to parents with more than one boy attending the College at the same time. The discounts include:

- 10% discount for the second child
- 50% discount for the third or subsequent children

Note that children must be siblings and the discount applies in years where the boys are all attending the College in that year. The sibling discount is only on the tuition fees and is not applied to any levies, donations, or co-curricular expenses. Discounts apply to the youngest siblings.

Voluntary Contributions

Edmund Rice Foundation Levy is an optional levy of \$132 per annum which assists in supporting Edmund Rice Foundation projects. This levy is not tax deductible.

Fee Payment

The College offers a number of different payment options to enable parents to select an option that best suits their budget. Parents and caregivers of students are jointly and severally liable for payment of tuition fees and any other costs associated with the students' enrolment at Ambrose Treacy College.

Direct Debit

Our preferred payment method is via direct debit from an Australian bank account or credit card (Visa or MasterCard only). A [School Fees Payment Authority](#) will need to be completed and signed in order to utilise this method. This form is also available on the College website. Please note that no discount will apply should you choose to pay the fees annually in advance.

Direct debits will be processed on one of the following cycles of your choice:

Annually: first day of Term 1.

Quarterly: first day of each term.

Monthly: 10 monthly instalments from February to November, either on the 10th or 20th of the month.

Fortnightly: 20 instalments from 1 February to 24 October inclusive.

Weekly: 40 instalments from 31 January to 30 October inclusive.

Edstart

Families wishing to spread school fee payments can apply for an Edstart payment plan. You can reduce your repayment amount with an extended plan over multiple years, up to five years after graduation. As well as tuition fees, levies, VET courses, club fees, tours and tournaments, voluntary building fund contributions, uniforms, private music tuition and any amounts outstanding may be included. Click [here](#) to apply online.

BPAY and Eftpos

Other payment options available to parents include BPAY and Eftpos. BPAY details are included on all fee statements.

Late Payments

Parents who are experiencing financial difficulty should contact the College Finance Office as soon as they become aware that they will be unable to pay on time. Fees that have not been paid and where parents have failed to contact the Finance Office and satisfactorily negotiate an outcome for the payment of these fees may be subject to recovery action and may place the student's continued enrolment at risk. Participation by students in the College's co-curricular activities is contingent on school fees for that student being up to date or with an agreed payment plan to settle any outstanding debts in place.

Enrolment Application fees

A non-refundable \$165 **application fee** is required at time of application and does not guarantee a place at the College. A non-refundable \$1075 **enrolment fee** is payable on receiving notification that your application has been accepted. Payment is to accompany the signed Acceptance Form.

Other Charges

Over the year, other charges may be applied to your account. These can include (but are not limited to) any charges for co-curricular activities, activities that fall outside basic participation training camps, off-site trips and tours, non-school competition entry fees, holiday programs, training and programs where external providers are utilised, music lessons, lost, damaged or overdue library or hire books, credit for printing and photocopying etc. These charges are due and payable at the time that they are added to your account. For further information, refer to the [ATC Fees Policy](#).

Skills And Training Courses

The College offers several Vocational Education and Training courses to students and costs vary depending on the number and type of courses undertaken. Please refer to the 'Year 10,11 and 12 Subject Selection' booklet for information on courses and costs involved.

Voluntary Tours and Tournaments

The College conducts and competes in numerous tournaments throughout the year. These are not compulsory and are charged separately.

Goods And Services Tax

The College is required to comply with the Goods and Services Tax (GST) introduced from 1 July, 2000. The basis on which GST is charged to parents may vary with changes to the GST legislation or its interpretation by the Australian Taxation Office. GST may be charged to fee accounts for the GST component of taxable activities which occur during the school year.

Refund Policy

Notice of withdrawal of a student must be given in writing to the Principal with at least a full term's notice (3 months). Verbal notification, or notification to staff members other than the Principal, is not considered due notice. Failure to provide such advice to the College in writing will result in a payment of fees of at least one term's tuition fees in lieu of the required notice.
